

Don't get duped
by a phishing
scam.

Protect yourself.

- **Never click on unknown links or files in emails, texts, social media sites, etc.**
- **Never reveal your password to anyone.**
- **Beware of emails asking for login or other private information.**

For more information, contact the UCSF Privacy Office at 415-353-2750 or go to security.ucsf.edu (IT Security's website).
