

RANSOMWARE

SECURITY AWARENESS TRAINING
GAME OVER
FOR RANSOMWARE

YOU are the first line of defense to ransomware attacks. Remember to complete the annual UC Cyber Security training. Report all suspicious emails to IT Security by visiting security.ucsf.edu. Protect your information from would-be hackers!!

For more information, contact the UCSF Privacy Office at 415.353.2750 or go to security.ucsf.edu (IT Security's website)
