

# RANSOMWARE

SECURITY AWARENESS TRAINING  
**GAME OVER**  
FOR RANSOMWARE

**YOU** are the first line of defense to ransomware attacks. Remember to complete the annual UC Cyber Security training. Report all suspicious emails to IT Security by visiting [security.ucsf.edu](https://security.ucsf.edu). Protect your information from would-be hackers!!

For more information, contact the UCSF Privacy Office at 415.353.2750 or go to [security.ucsf.edu](https://security.ucsf.edu) (IT Security's website)
